For Valour, For valour!

## **Valour Road (To "Country Roads")**

Almost heaven, Manitoba  
Red River Rising , Assiniboine river  
Life is old there, older than the trees  
Younger than our Bombers, blowing like a breeze

Valour Road,  
take me home  
To the place I belong  
Winni-peg Manitoba,  
take me home  
VALOUR ROAD

## **Yesli (to Wonderwall)**

Because Yesli...  
Is gonna be the one that saves me  
And afterall...  
He's our wonderwall

## **Just Can't Get Enough**

When watching you Valour  
I go out of my head  
And I just can't get enough  
And I just can't get enough

All the times you score for me  
And every big save  
I just can't get enough  
I just can't get enough

We sing and cheer as we fall in love  
And WE JUST CAN'T SEEM TO GET ENOUGH OF  
(Everyone up and dancing)

## **Red River Waltz (To “The Log Drivers Waltz”)**

Our hearts beat as one, our voices unite

You're here with a team, and we've got an army

You're here for a match, you're in for a fight

We will keep on marching 'til we have won.

For we go rising, rising up the Red River

That's why our Valour boys keep on fighting

Yes rising, rising up the Red River

Our Valour boys live in our hearts forever.

Daa-da-da-dada da-da da-da da

We fight on the pitch, we sing in the trenches

No matter what comes, we never lose faith

Edmonton\* wish – they'd stayed on the benches

Our boys keep on rising while your team falls.

For we go rising, rising up the Red River

That's why our Valour boys keep on fighting

Yes rising, rising up the Red River

Our Valour boys live in our hearts forever.

Daa-da-da-dada da da da da DA

For we go rising, rising up the Red River

That's why our Valour boys keep on fighting

Yes rising, rising up the Red River

Our Valour boys live in our hearts forever.

Daa-da-da-dada da da da da daaa
